Comments from previous attendees of
"Civil Justice for Victims of Crime":

"Really enjoyed the presenter. He kept my attention the entire time. He was very compassionate and excited about helping victims."

"Presentation was great. Explained material without too much lawyer jargon."

"Very helpful; as a mental health therapist I feel that I don't have a lot of opportunities to even understand the basics of litigation and court process and it is better to support my clients when I'm educated. Very comprehensive."

"I learned a lot to help victims and myself. Out of my 25 years of attending law enforcement classes, this was the best class I have ever attended."

The National Center for Victims of Crime is the nation's leading resource and advocacy organization dedicated to helping victims of crime rebuild their lives.
